****COMMENDATION****

Julinya Vidigal

Julinya is hereby highly commended for her participation in the "Women to Women" live broadcast from Larry Gluck's Training Academy featuring Shari Belafonte. Julinya is very aware of the importance of rising people's awareness about the value of the arts. We look forward in working with her in future TV segments.

Her help and dedication to Mission: Renaissance are very much appreciated.

Much love,

Jasmin Zimmatore
VP for Public Relations
